

"Harmonious complete package: Very good finish combined with useful features and a great sound"

AREADVD 05.2017

"The Magnasphere 33 is a wireless loudspeaker that highlights the advantages of active loudspeaker designs. In short: The compact powerhouse really is a lot of fun!"

HIFIDIGITAL 04.2017

„...High-quality music enjoyments ...

... harmonious integration ...

.... easy to operate control ... “

fairaudio 02.2017

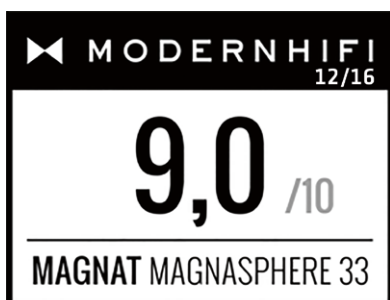

„... It's not a loudspeaker, it's a world of its own.“

AUDIO 03.2017

"If you have high expectations with regard to sound, like to have a broad selection of available music sources and expect easy set-up and maximum operating convenience, then you are a real candidate for Magnasphere."

litemagazin.de 12.2016

„The Magnasphere range from Magnat revamps the classic hi-fi image of source, amplifier and conventional loudspeakers with a modern playback concept.“

modernhifi 12.2016
